Curriculum and Instruction

DUTIES:

This position will provide supplemental educational services that are consistent with the instruction and content used by local school districts and aligned to Arkansas' Curriculum Frameworks and/or the Common Core State Standards (CCSS). Design, implement and evaluate program compliance and effectiveness of training, curricula, and related educational services in local school districts and intermediate and regional units. Designs, prepares and conducts workshops, seminars, presentations, or in-service training to present information critical to specialized program areas; provides technical assistance to school officials by interpreting laws and/or policies, answering questions, or resolving problems relative to assigned program areas. Researches and analyzes demographic, labor market and technological data and makes recommendations on education programs to meet changing needs. Acts as a liaison with education and public interest groups to inform them of departmental activities and assists in identification of needs. Works with other curriculum specialists to review courses for program approval; performs other duties as assigned.

SPECIAL REQUIREMENTS:

Successful applicant must possess a current Arkansas educator's license; or hold an expired standard Arkansas educator's license; or a standard out-of-state license and is eligible for a one-year provisional license and a standard license in Arkansas; master's degree in education preferred; plus five years of teaching and/or school administration experience, instructional program coordination experience, curriculum or instruction specialist/facilitator. Knowledge of CCSS and the implementation process of CCSS required. Knowledge of the Math Curriculum Frameworks, K-12 (CCSS); experience with grades 5-12 Math curriculum preferred.

SPECIAL APPLICATION INFORMATION:

Only completed application with work history will be accepted. The work history section of the application must be completed. We do not accept resumes in lieu of completing this section.

MINIMUM QUALIFICATIONS:

The formal education equivalent of a bachelor's degree in public administration, educational administration, education, or related field; plus three years of experience in education, public school administration, or related field. Additional requirements determined by the agency for recruiting purposes require review and approval by the Office of Personnel Management. Other job related education and/or experience may be substituted for all or part of these basic requirements, except for certification or licensure requirements, upon approval of the Qualifications Review Committee.

PROCEDURE FOR APPLICATION:
